Classes Sessions and Synopsis

General Class Sessions

CS09-01: The Worship Choir

This class focuses on the role and importance of the praise choir in worship. You will learn practical tips on making the rehearsal more productive as a choir member. Including an effective way to learn and minister a song in worship; and how to ride the flow.

CS09-02: Worship and Intercession

This session will cover the importance of worship and intercession in the life of the worshipper. This session will also give you practical tips on how to be more effective in prayer to set the atmosphere for the miraculous and more.

CS09-03: What's My Part In Worship

The congregation has a major part in the worship. God want the believer to express how they feel about the God and Savior. This session will help you understand what your contribution to the worship experience is as a congregant.

CS09-04: Songwriting and Publishing

This class is an awesome class to learn more about the art of crafting songs for the worship service and business side of getting your music into the mainstream.

CS09-05: Levitical Worship Leaders

Are you in a slump or want to spruce up your worship leading? Well, this is class for you. You will learn from the scriptures how to lead others in the worship experience. Worship leading is a skill and a gift and should be treated as such. This tune-up will revolutionize your leading.

CS09-06: Dancing The Scriptures

Do you know how to make the Bible come to life with the dance? Learn to interpret the scriptures with creative movements and props.

CS09-07: Dance Choreography

This class is a conference favorite and fills fast. Want to learn how to do creative movement, urban dance styles, and African dance movements? You will learn how to block and choreograph songs of all style appropriate for worship.

Generation Chosen Class Sessions

GC09-A: Living Saved Around My Friends

As a young person you can live saved and sanctified in your world. This class shows you how to overcome the fear and challenges of openly living out your decision for a life in Christ. This class will also help you to know the truth about salvation, hell and heaven.

GC09-B: Becoming What God Made You

There is a purpose for your life. Your purpose leads to your destiny and your destiny leads to who you were made to be. This session will lead you to discover who made you to be and what you were created to do.

GC09-C: Life, Style and Doing You in God

There are certain things as youth and young adults should know about life and discovering their personal best in life. This class is a lesson in finding your personal style and blending it with God's purpose and image of who you are.

GC09-D: God, Music, Sex and All That's Coming At Me

This is a class must for all youth and young adults that have personal struggles in today's society as a Christian. This class will touch on the things that are distractions and hindrances to a life of purity and holiness in Christ.

GC09-E: Generation Chosen Choir & Band

Energetic youth and young adults will encounter God through worshipping, praising and releasing the power and glory of God on their level. Generation Chosen Choir will learn music to be presented during the "*N-X-Treme Worship Explosion*."
